## THE SUMMER TRAILS **EDGE** PROGRAM

**Education    Discovery    Growth    Excellence**

**The Summer Trails EDGE Program** works with children across the education spectrum to provide an academic advantage. Children enrolled in the EDGE Program receive an individually tailored and ideal learning opportunity. The tutorials are taught by educators in small groups and organized into one hour blocks at the conclusion of our regular camp day.

The **EDGE** Program is designed to meet the continued learning needs of today's youngster. Our teaching staff, hand picked from our Summer Trails team, will create an individualized learning program to help your child excel. We will provide an afternoon snack and supplies, as well as ongoing communication with parents. All Summer Trails campers who are interested in summer learning are eligible to participate.

**Gina Ronca—EDGE Director**

Gina is back at Summer Trails for her 3rd Season. A New York State Certified Teacher, Gina received her BA in Psychology at the College of Mount Saint Vincent in Riverdale and her MS at the College of New Rochelle in Literacy. She has been teaching for almost 20 years, 16 of those in Elementary Education. She currently teaches Middle School Social Studies at Assumption Catholic School in Peekskill

**Sarah Marbach—EDGE Teacher**

Sarah has been a part of Summer Trails for the past 17 summers and is thrilled to be a part of the EDGE program! She is a New York State Certified Teacher and earned her Bachelors Degree in Elementary Education and a Masters in Educational Technologies from Pace University.

## What Our EDGE

### Parents are Saying:

"It is easier for kids to learn from others instead of their parents. I liked the combination of fun and learning he had at camp"

—Parents of Edward

"My children can continue their educational experience through the EDGE program. It compliments their school program and keeps them immersed in academics during the summer break."

—Parents of Eugene & Philip
