

# ROLESNUOC REMIX

Volume XXXVIII

Fall Edition

October 2011

## Way to Go! Seal of Approval! Round of Applause!

During the 8 (way too short) weeks of summer, our staff works hard to ensure that every camper feels that warm and fuzzy Summer Trails feeling. Whether it is on the field, at the pool or in the grove, the special attention that each camper receives is priceless and does not go unnoticed.

Parent Survey results are back! We know that you do a great job, but it feels so good to hear it from the parents of our campers. In our parents words our staff is

Top-notch

We don't think we could have said it better ourselves! Even though the days are getting shorter and the snow isn't too far off, it is time to start thinking about next summer.

Check your mailbox!! **Camp contracts will be arriving shortly.** Please read them carefully and have them back to us **by their deadline.** Do you want to work Extended Morning or Extended Day this year? Are you working towards or have you completed a new certification this winter? Do you want to return to camp in different job capacity? Contact Jamie to discuss 2012 employment options.

## Have a Great Holiday Season and Keep in Touch!!
